If the purchaser cannot receive the items when ready for shipment, BMP reserves the right to invoice purchaser for the items. If purchaser places a hold on incomplete work, BMP reserves the right to submit a partial invoice to cover cost of production to date of suspension. The purchaser may only cancel his order by written notice to BMP. Such cancellation will be subject to charges incurred by BMP based on engineering, manufacturing, or outside purchasing completed or irrevocably incurred, at the time notice of cancellation is received in writing at the Home Office.

5. TOOLS:

Any tool on which no production order has been received for three years shall be considered obsolete, and we shall accept no responsibility for the continued existence or availability of same after such period of inaction. Customer will be expected to pay the costs for all changes in tools and dies made necessary by changes in its specifications as originally accepted. We assume no responsibility for damage to tools from resulting from fire, water, casualty, strike, riot, insurrection or Acts of God while such tools are in our possession. Customer agrees that we will have a lien upon all of its dies, tools of parts and for any orders shipped in process, or unfilled, it being understood that such lien shall continue until all of customer's obligations to us are satisfied in full.

6. DESIGN:

BMP shall have no responsibility for the design of the items manufactured. Responsibility is limited to the compliance of the blueprint specifications provided by the purchaser. We are not to be held accountable for the artistic, mechanical or practical advantages or disadvantages of the design or construction of the part or parts. Customer agrees to indemnify and hold us harmless for or against any and all loss, cost, liability, or expense resulting from or attributable to infringement or claimed infringement of patents or trademarks involved in the manufacture for customer of any order.

7. LIABILITY

BMP will not be liable for any damage caused by the use of the items purchased, whether or not operated in accordance with instructions. Liability under any contract shall in no case exceed the price paid for goods furnished by BMP. In no event will BMP be liable for consequential damages, or in the failure of the buyer to provide proper safety features for the protection of personnel in the use of items purchased for BMP.

8. CHANGES OR ADDITIONS:

It is agreed that prices herein shown include only those items listed on the face of quotation of acknowledgment. An additional charge will be made for items not listed, added subsequently, or changes in specifications.

9. ERRORS:

BMP reserves the right to correct any typographical or clerical errors which may be present in the prices, specifications, or acknowledgment.

10. INSPECTION:

These prices do not include 100% inspection unless specifically stipulated. Individual inspection will be made of the customer's expense and only parts proved defective by the customer's individual inspection will be accepted for claim for credit or replacement at seller's option.

11. TERMS:

We may at any time alter or suspend credit, refuse shipment, or cancel unfilled orders, when, in our opinion, the financial condition of the customer, or status of his account warrants it, or when delivery is delayed by fault of the customer, or the customer is delinquent in any payments.

12. CONTRACT:

Subject to the above conditions, the acceptance of this quotation constitutes a contract. The act of placing your order based on this quotation constitutes acceptance.
